Federal Employee Benevolent Fund & Group Insurance

RFQ for *Procurement of Hardware, Licensed software, and Survey for LAN/WAN*

As per given schedule for **pre-bid meeting** only one vendor M/s 319 Solution visited FEB & GIF and raised following queries

Question: Can we bid using joint venture?

Answer:

Yes, any company can bid using joint venture with other but agreement for this project must clear mention terms and conditions and specially who will be executing the project and to whom FEB & GIF will issue purchase order. Major responsibility, in Joint venture case will be to whom the purchase order is given. And such firm can use experience and expertise of other firm. The agreement must be attached with the bid document.

Question-2:

M/s 319 Solution by presence and some other vendors also seek clarity about whether FEB & GIF will allow the vendors to submit bids for one or many items in the lots or the vendors have to submit bids for all items?

Answer:

In published RFQ, FEB & GIF has already allowed bids for single items in clause 20 iii) as under:

20. HOW TO PREPARE BID(s)

iii) Responding Organizations may bid for single or more lots/items.

Note: above clarifications will be treated as part of RFQ for this tender.
