In response to a query / clarification sought by one of our Regional board, in case No. E-2549/RBI/23-V on change of category, where student of a degree programme from a private university, after receiving education stipend under Rule 25 of FEB&GIF Rule 1972, gets migrated to a public sector university and continues his studies in subsequent semester/years of the degree programme covered under Rule 25-A of FEB&GIF Rule 1972, shall be eligible for reimbursement of fee on completion of all codel formalities by Regional Boards.

2. However, in such cases, where a student of a degree programme from a private university, after receiving education stipend from FEB&GIF, gets fresh admission in a public sector university in the discipline/degree programme covered under the ibid Rule 25-A, the amount of education stipend already availed by him against the same degree programme, shall first be returned/deposited to FEB&GIF, then he/she will be entitled to fee reimbursement under Rule 25-A of FEB&GIF Rule, 1972.

3. This issues with the approval of Managing Director.
